

ABOUT

Hailing from kolkata, India. Arcane is one of the fastest growing names in the live electronic music space with a schedule busier than most electronic artists of his genre. His sound is a perfect blend of Percussive Afro, melodic and progressive house which is a no nonsense match made in heaven. He has played alongside some of the leading names in the international scene such as Maceo Plex, Agents of time, Deborah De Luca, Loco Dice, Space Motion, Alexander Alar, Benjamin Damage, Tomy Wahl, Doctor Dru, Coyu, Damon Jee, Skala, Claptone and many many more. Apart from this, he hosts a signature IP CODE: RED and a posh experience oriented festival SUBLIME which attracts audiences in the thousands and is acclaimed as one of the most popular properties in kolkata and India.
